Sir:

In response to the Examiner's Interview Summary April 25, 2006, Applicants submit the following record of the interview conducted with the Examiner on April 14, 2006:

**Summary of Interview** begins on page 2 of this paper.

**SUMMARY OF INTERVIEW**

On April 14, 2006, the Examiner initiated a telephone interview with Applicants. During the interview, the Examiner indicated that the allowability of claims 7 and 12 (which Applicants had incorporated into independent claims 1 and 9 in the previous amendment) was being withdrawn. The Examiner offered to amend, via Examiner's amendment, independent claims 1 and 9 to incorporate the subject matter of dependent claims 8 and 13 to place the application in condition for allowance. Applicants declined the offer and requested that a new non-final Office Action be issued. Applicants submit that the above represents a complete substance of the interview conducted on April 14, 2006. No other procedural or substantive matters were discussed with the Examiner.

To the extent necessary, a petition for an extension of time under 37 CFR § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 50-1070 and please credit any excess fees to such deposit account.

Respectfully submitted,
